

# What Does It Mean To Believe On Jesus?

John 3:16 ~ "Whoever believes on Jesus has Eternal Life."

To understand what it means to believe on Jesus, we must look at how it was used in the original language and historical setting.

The original Greek word for "believe in" Jesus is the word "[pisteuo]." The word was used in Greek culture to describe the way a physician would rescue, save, deliver, and heal, a wounded soldier in battle.

When we believe in Jesus, we make the choice and perform the same decision.

## PHYSICIAN

Believing means wholeheartedly, trusting in the **procedure** that he provides, in order to rescue you, save you, deliver you, heal you, and make you whole or functional.

## PHYSICIAN

Believing is Surrendering completely to the Person and his procedure, so you may reap the prize which is to live.

## THE WOUNDED WARRIOR

must make a Decision. Either, he could choose to die, commit suicide, be captured or killed by the enemy.

**OR**

## The WOUNDED WARRIOR

can make decision to pull himself up. Then he must fall whole heartedly into the arms of the physician.

So, Believing on Jesus, means, to Whole Heartedly, Abandon and Surrender your Life into the Arms of Jesus. Fully Trusting Him, The Person and His Procedure, So you may reap the Prize. The Prize is Being rescued, saved, healed, made whole (or functioning) and Inherit Eternal Life.

**A. The Fruit of Abandoning into the Arms of Jesus is a bonding Love Relationship with Him, Jesus (the Physician).**

Believing on Jesus, means to abandon your Life into the arms of Jesus  
(the Physician).

This involves fully trusting, and surrendering to Him, to Save You. Heal you, Change you.

**This Creates a Bonding, Love Relationship with Jesus**
