

To Accomplish these 3 Elements

We need to make it each team's Goal to Do a 3 Minute Announcement to a Meeting once a Week, accompanied By the 45 minute training during and After Lunch.

The most Successful approach is the following:

1. We Pray and make a List of Churches we feel the Lord is Directing us to, to help Build their Youth Group and or their Church.
2. Preferably we find someone who knows us and our Ministry, that Can refer us to a Certain Pastor of a Church we want to Visit.
3. Best way is to Visit that Church on a Sunday morning, Set up in front and Pay attention and Participate in the Worship.
4. After service, go up front and Meet the Pastor.
5. Say, "I wanted to meet you, I was referred to you by (So and So).
If the Person that knows you, that knows the Pastor can go with you, that is for Better. Then, they can Introduce you to the Pastor.
6. But it's okay to do a Cold Call, even if you don't have a Reference.
7. It's a good Idea to Start a Conversation by thanking them for their Message. You might mention something that spoke to you Personally.
8. Then Say, "If you Have a minute, I, or (We'd) Like to Ask you a question?"...
"Our Background in Youth With a Mission or YWAM (You've Probably Heard of it.) (You can Wait for a Nod of the Head.)

We run a Program that Helps Churches Build up their Youth Groups and Churches by doing outreaches to the surroundings High Schools and Middle Schools.

-We have a strategy that Gets us into every School.

Here's some Pictures of Some Recent Outreaches.

We are quite excited about some of the Success we've had:

- Distributed 11,000 Bibles
- Seen just under 9,000 Make Jesus Lord and Savior

How we Serve Churches, is we set up the Outreach to Surrounding Schools, then we Invite Volunteers from your church.
