

**Our background is "Youth With a Mission" (YWAM).
We are also members of the Gideans; if you heard of them?**

• WE WANT TO ASK YOU A QUESTION:

What we do:

- **1. What we do is help pastors and youth leaders build up their "Youth groups"
by conducting outreach to local high schools.**
- **2. We operate a unique Strategy that gets us into every High School.
We help set up "School Lunchtime assemblies" and "Start Bible Clubs"
and channel converts into local Churches.**
- **3. We are currently targeting 21 schools weekly.**
- **4. We have up to 800 attending lunchtime assemblies.**

We are excited to share our success stories: 5,600 come to the Lord and baptized over 200, distribute over 5000 bibles.

• Sorry to be so lengthy, our Question is:

Can we apply for a 30 min appointment to explain our program to your pastor or whoever, we could work with your church to start this program?
