Mary K. Baxter

INTO HELL -

A TRUE EXPERIENCE

+ For 30 days, from the hours of 2AM to 5AM, Jesus appeared to Mary Baxter and took her to hell, and, later on, to heaven.

I was praying at home one morning and I had a visit from the Lord Jesus Christ. I had been praying in the Spirit for days when all at once I felt the very presence of God.

His power and His glory filled the house. A brilliant light illuminated the room where I was praying, and a sweet and wonderful feeling came over me.

He said, "I am Jesus Christ, your Lord."

+ Jesus said, "My child, I will take you into hell, and I will show you many things that I want the world to know."

+ First, I saw tunnels protruding out of the earth. "These are the gateways to hell," Jesus said. "We will go into hell through one of them."

+ I saw demons with great chains dragging the lost through the tunnels as they screamed in terror.

+ I saw things in hell that are too horrible to tell. Even more awful than the walls of torment, were the dreadfulness of the fires of hell with its deep pits. Also, so dreadful were worms (or snakes) that crawled through their souls as they screamed in terror. I also saw things that God would not let me write.

+ When you die on earth, if you are born-again by the Spirit of God, your soul goes to heaven. If you are a sinner, when you die, you go immediately to a burning hell. Tormenting demons with great chains will violently drag your soul through the gateways to hell.

Jesus showed me how **hell is divided into cells.** "In these cells, as far as you can see, are souls in torment. Each time the cells are filled, hell enlarges itself to receive even more souls. You have all your senses in hell. You feel constant torment and anguish in hell.

Heartbreaking screams and great cries of pain came from the cells. The souls inside were being burned alive by this hotter than hot lake of fire, and yet they could not die. The demons too, joined in

the laughter as Satan went from cell to cell, torturing the lost.

Jesus said, "I came to save all men. I desire that all who are lost will repent and call upon My name. It is not My will that any should perish, but have everlasting life."

- + I knew that **Jesus was showing me all these things that I could warn the men and women of the world to shun or miss hell at all cost.**

- + Jesus showed me the **terrible demons that violently draged the lost souls** through the **gateways to hell** as they screamed, helplessly, in terror. Jesus said, **"Miss hell at all cost!"**

Mary's Journey to Parts of Heaven

- + One night the Lord appeared to me and told me I was chosen for a special assignment.

Jesus said, "My child, I will manifest Myself to you to bring people out of darkness into light. I have chosen you for a purpose: you are to write and make a record of the things I will show and tell you."

- + Jesus said, "I want to show you the love and goodness of God and parts of heaven. I want you to see the wondrous works of the Lord, which are so beautiful to behold."

In an instant I found myself traveling through space. Ahead of us I saw two giant planets, beautiful and glorious in all their splendor. God Himself was the light there.

- + When you die on earth, if you are born-again by the Spirit of God, your soul goes to heaven. You are met by great majestic angels who accompany your soul to the gate of heaven.

The angels said to me, "Come. You're going inside this gate."

It was the most beautiful gate I had seen. Beautiful flowers grew all around it. We went through the gate and witnessed all the wonderful rejoicing and the reunion of all of God's family.

All of the angels are constantly occupied with their duties. For example, when new souls come to heaven, more angels meet them and lead them immediately through the River of Life. The angels escort the new souls to a place where other angels outfit them with gowns of salvation, which are robes of righteousness. Then the angelic guides take them to the room of crowns, where each person is fitted with a crown.

- + The joy was beyond description as we observed new arrivals to heaven being reunited with their loved ones who had been born-again on earth.

Then I saw parents and family members as they began to move around and gravitate to certain individuals. They began to shout, leap, and jump. I could not understand what was taking place.

The angel said to me, "These loved ones are recognizing their family members." Those who had been dismembered, paralyzed, crippled, or had died prematurely were now in a state of perfection.

They had been made whole!

In heaven there is **no sickness**. In heaven there are **no wheel-chairs**. In heaven there are no disabilities. In heaven there are **no diseases**. All is perfect and beautiful. There is no corruption. There are no lies. There is no sin, because God will not allow one sin to enter the gates of heaven.

- + When Jesus Christ took me **on these journeys**, I was fascinated because in heaven, there is **no sorrow, no death, no dying**, and **no grief**. In heaven only **joy, peace, happiness**, and the fruits of the Spirit are everywhere.

I was also fascinated by the angels of God who were there by the thousands. Some had wings; some didn't. Some had swords and were 15' tall and powerful.

I saw **entire families together**. Everybody was happy, going somewhere, doing something, smiling. A glow graced every face I saw.

- + **All the saints in heaven seemed to be occupied. They were constantly busy – building, inventing, creating, and learning. They spend their time praising and magnifying God. Songs were on everyone's lips. The atmosphere of music was the dominant mood.**

The music in heaven was beyond human description. It seemed to penetrate my very being. **Wave after powerful wave of beautiful music** and singing surged across the landscape and seemed to envelop everything and everyone.

- + **Jesus, greeting the soul of an individual that has been born-again, at the gates of heaven.**

- + **Jesus showed me the **Awesome** and **Beautiful** River of Life. – MKB**

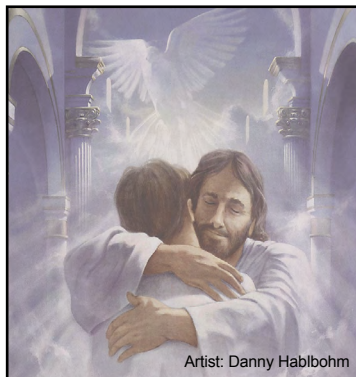

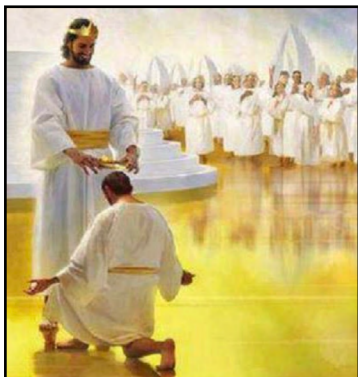

Heaven

- + Jesus showed me how the souls that are born-again are escorted by the most kind and loving angels into the presence of God. - MKB

- + It was Majestic as Angels and Loved Ones Rejoiced Greatly as New Souls were Brought into Heaven.

Your Response to Jesus' Offer of Heaven

+ I saw in heaven the angels greatly rejoicing, as a robes of righteousness and the crowns for rewards, were given out. – MKB

+ Jesus Greeted many that entered into Heaven and said "Well done, Good and Faithful Servant."

+ We have a **Free Will** and we all have a **Choice**. Heaven or Hell?

+ Lastly, **Jesus spoke**, "Humble yourselves and bow your hearts before me, and I will come and live with you. **You will be My people, and I will be your God.**" Jesus said, I love you with an everlasting love, and I would that **None Perish**, but all **Inherit the Life of Heaven**.

Please pray this **World's Most Important Prayer**, aloud and from your heart:

Father, in the name of Jesus Christ, I come unto You, just as I am. I am a sinner, Lord. I have sinned against You and against heaven. I ask You, Lord, Jesus, to forgive me and to come into my heart and save my soul. Let me be born-again by the Spirit of the Living God.

I give my life to You, Lord Jesus. I do believe that You are the Son of God. I believe You are Jesus Christ who was sent to save my soul from hell. I give You thanks and praise and honor for redeeming me by Your precious blood.
